SEVENTH-DAY ADVENTIST
Rufus B. McDaniel, Pastor
Sabbath School Lesson for Mar. 25, 1972
Subject: Worship In Eternity
Scripture Text -- "And I beheld, and I heard a voice of many angels round about the throne and the beasts and the elders: and the number of them was ten thousand times ten thousand, and thousands of thousands; saying with a loud voice Worthy is the lamb that was slain to receive power, and riches, and wisdom and strength and honor, and glory, and blessings. And every creature which is in heaven, and on the earth, and under the earth and such as are in the sea, and all that are in them, heard I saying, Blessings, and honor and glory, and power be unto Him that sitteth upon the throne, and unto the Lamb forever and ever." Rev. 5:11-13.
The Final Call to Worship--1. As the proclamation of the everlasting gospel becomes God's last appeal to men, it contains the words "Worship Him". Rev. 14:7. Have we gaiven the right emphasis always to this word? Does it mean too often just fear and obey without the background of loving adoration? 2. In Revelation 14, men are called upon to worship the Creator; and the prophecy brings to view a close that, as the result of the threefold message, are keeping the commandments." 3. The word "holy" is often associated with worship. There are a holy sanctuary, a holy alter, holy priests in holy garments offering unblemished sacrifices, holy vessels, holy oil, holy water and holy ointment. In Exodus 40:10 the marginal reading for the most holy altar is "holiness of holiness" arising from all this is the objective of a holy people for only such can worship God "in spirit and in truth" now and eternally.

13TH SABBATH OFFERING OVERLOW
In behalf of more than a quarter of a million Sabbath School members, in the South American Division, I wish to express our gratitude for the Thirteenth Sabbath offering overflow in the second quarter of 1969. It represented more than $100,000. It provided funds for new dormitory space on the campus of our Theological Training College in Chile; dormitory provisions at the Espiritu Santo Academy in Brazil; and benefits for Northeast Brazil College.
Again this quarter, we plan to provide additional facilities: (1) New dining room. Uraguay Academy; (2) Completion of Loma Linda Sanitarium Argentina. (3) New girls' dormitory Ecuador Academy.
In some of our dormitories there are five or six students in one small room Many times the need of spare is that worthy students are to find a place in the tutions. South America 000 young people, of whom are in Adventist ols.
This is the golden channel every member to the mold of Christian tion. Your liberality possible to open the many of our boys and have been denied an ity of Christian educa lack of facilities.

The fire season is in and will be with us for quite a while. We have an excellent record of fire control in this county and it will continue with everyone's cooperation. Even though the law says no burning until 4:00 p.m. doesn't mean that even then it's always safe. Common sense should be your guide.

Norman Pigeon Pease, ever hear of these? I hadn't until a few weeks ago. The company says they will produce up to 14 tons of green manure and only needs 100 to 200 pounds of 0-20-20 per acre.
I have 25 pounds of seed which is enough to plant an acre if planted in 7 inch rows. We're looking for a place to get them planted.

There is a new begonia that's beginning to get a lot of attention in this county. It's the Rieger Begonia. In National and International shows it's received 15 gold medals.
County greenhouse operators have been informed of a cutting source, so you may want to be on the lookout for this new variety this spring.
